DEATH STAR™ TRASH COMPACTOR

STAR WARS

This is some rescue.

It's an improvised rescue plan that lands the Rebels in a scrap heap of trouble, walls literally closing in on them while a ravenous reptile nibbles at Luke Skywalker for lunch. Of course, the trash compactor scene in *Star Wars: A New Hope* is an all-time fan favorite.

**"One thing's for sure.
We're all gonna be a lot thinner."
– Han Solo.**

75339 Death Star™ Trash Compactor Diorama

As the heroes try to stave off their impending doom, they still find time for sarcastic bickering. And though R2-D2's quick wit saves the day, a devastated C-3PO mistakes his friends' cheering over the comlink as sounds of their frightful demise. We love the fun in the chaos.

The LEGO® *Star Wars*™ Diorama Collection is inspired by and dedicated to *Star Wars* fans and our favorite defining moments in the saga. Plan your own little escape for a few hours, and feel free to yell frantic requests to your fellow Rebels as your set comes to life.

Enjoy building!

Jens Kronvold Frederiksen
Creative Director, LEGO® *Star Wars*™

COMPACTEUR DE DÉCHETS DE L'ÉTOILE DE LA MORT™

STAR WARS

C'est tout un sauvetage.

Ce plan de sauvetage improvisé vaut aux Rebelles un tas d'ennuis, les murs se refermant littéralement sur eux tandis qu'un reptile vorace tente d'avalor Luke Skywalker tout cru. Évidemment, la scène du compacteur de déchets dans *Star Wars : Un nouvel espoir* est l'une des scènes préférées des passionnés de la saga.

« Il y a une chose de sûre. C'est qu'on va tous maigrir un grand coup. » – Han Solo

75339 Diorama du compacteur de déchets de l'Étoile de la Mort

Alors que les héros tentent de déjouer leur destin imminent, ils trouvent tout de même le temps de se chamailler. Et bien que la rapidité d'esprit de R2-D2 sauve la situation, un C-3PO dévasté prend les cris de joie de ses amis sur le comlink pour un signe de leur effroyable trépas. Le chaos est des plus divertissants.

La collection de dioramas LEGO® *Star Wars*™ est inspirée par nos moments marquants préférés de la saga et par les amateurs de *Star Wars*, à qui elle est dédiée. Planifiez votre propre petite évasion pendant quelques heures, et n'hésitez pas à crier des demandes frénétiques à vos camarades Rebelles pendant que votre ensemble prend vie.

Bonne construction !

Jens Kronvold Frederiksen

Directeur de la création, LEGO® *Star Wars*™

COMPACTADOR DE BASURA DE LA ESTRELLA DE LA MUERTE

STAR WARS

¡Pues vaya rescate!

Un improvisado plan de rescate termina por lanzar a los Rebeldes a un tiradero de desperdicios donde solo hay problemas y muros que, literalmente, se cierran frente a ellos. Ah, ¡y también un voraz reptil que piensa que Luke Skywalker será su cena! Sin duda, la escena del compactador de desperdicios de *Star Wars: Una Nueva Esperanza* es una de las favoritas de los fans de todos los tiempos.

**"Una cosa es segura. Vamos a adelgazar".
– Han Solo**

Diorama: Compactador de Basura de la Estrella de la Muerte (75339)

No obstante que están tratando de librarse de una fatalidad inminente, los héroes no desaprovechan una oportunidad para el sarcasmo. Y aunque la astucia de R2-D2 termina por salvar el día, el nerviosismo de C-3PO, quien opera el comunicador, lo hace confundir la alegría de sus amigos con gritos de dolor. Nos encanta la diversión que hay en el caos.

La Colección de Dioramas LEGO® *Star Wars*™ está dedicada a los fans de *Star Wars*, e inspirada en ellos y en nuestros momentos decisivos favoritos de la saga. Planifica cuidadosamente tu pequeño escape de unas pocas horas. ¡Ver cómo tu set cobra vida representa la oportunidad perfecta de gritar enérgicas instrucciones a tus compañeros rebeldes!

¡Que disfrutes la construcción!

Jens Kronvold Frederiksen

Director creativo, LEGO® *Star Wars*™

A stinky secret side of the Death Star

The trash compactor is such a stark contrast to the otherwise clinically polished interior we see of the Death Star. It's also where our newly forged allies are thrust into an instant trial by fire and pushed to work together under extreme pressure. Naturally, tempers run high – a very nice hint at the adventures that lie ahead!

© & ™ Lucasfilm Ltd.

© & ™ Lucasfilm Ltd.

© & ™ Lucasfilm Ltd.

Le côté ordures de l'Étoile de la Mort

Le compacteur de déchets contraste fortement avec l'intérieur parfaitement impeccable de l'Étoile de la Mort. C'est également là que nos nouveaux alliés sont mis à l'épreuve et poussés à travailler ensemble sous une pression extrême. Naturellement, les esprits s'échauffent, ce qui laisse deviner les aventures qui nous attendent !

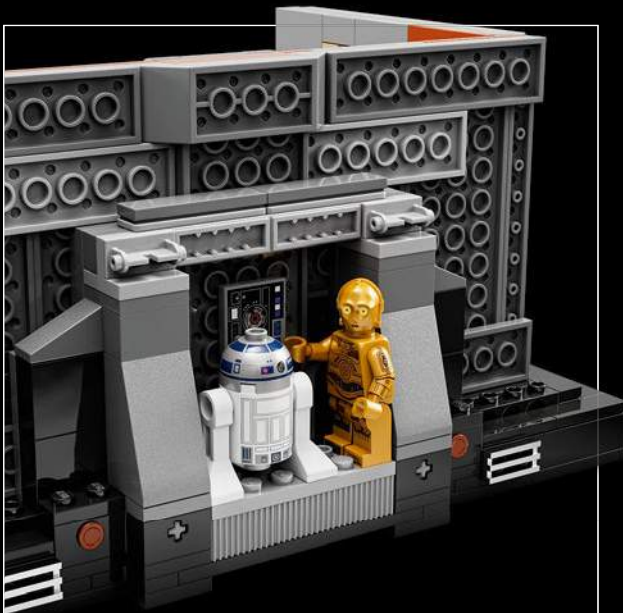

El lado oloroso de la Estrella de la Muerte oculto a la vista

El compactador de basura es exactamente lo opuesto de los impecables espacios interiores que pueden verse en la Estrella de la Muerte. Es también el lugar donde los nuevos aliados son sometidos a una repentina prueba de fuego y se ven obligados a trabajar juntos bajo una presión inimaginable. Es natural que los ánimos se exalten un poco, ¡eso es solo una muestra de las aventuras que se avecinan!

"Listen to them. They're dying, Artoo."

The diorama model lets you recreate the Rebels' hysterical escape with walls you can push in or release, the creepy dianoga lurking in the debris, and, of course, R2-D2 and C-3PO frantically working to hack the Death Star controls and shut down the compactor. (No minifigures were harmed during the making of this model.)

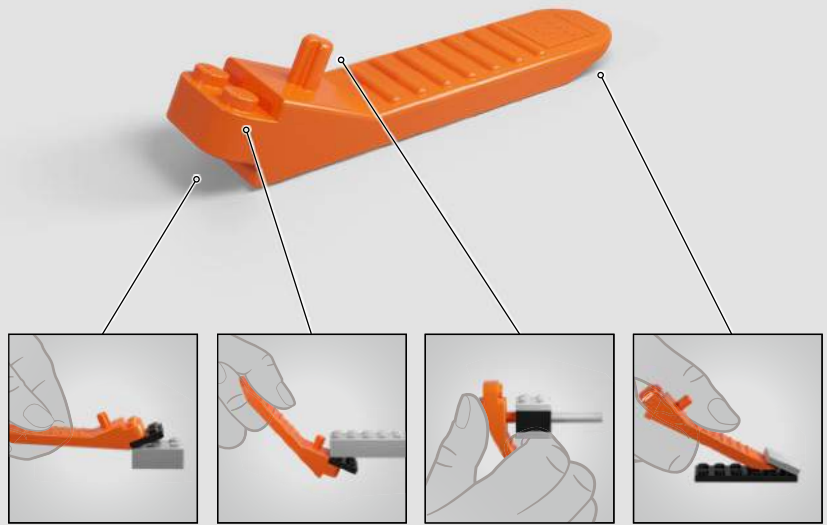

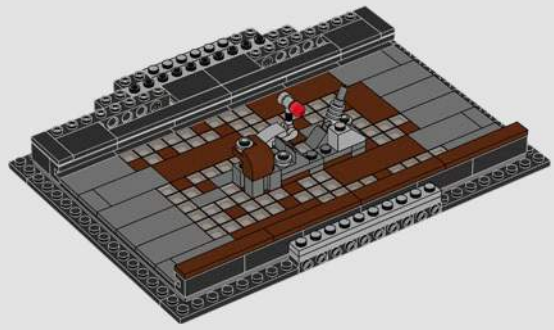

« Tu les entends ? Ils sont en train de mourir. »

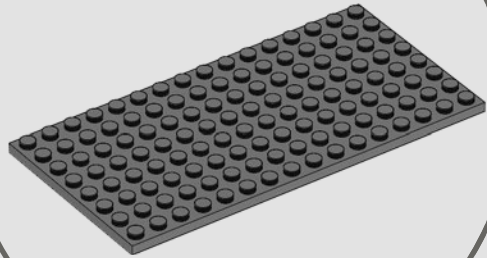

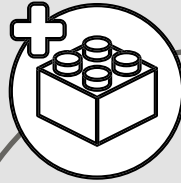

Le diorama vous permet de recréer l'évasion hilarante des Rebelles avec des murs que vous pouvez enfoncer ou libérer, l'effrayant dianoga qui se tapit dans les débris et, bien sûr, R2-D2 et C-3PO qui travaillent frénétiquement pour pirater les commandes de l'Étoile de la Mort et désactiver le compacteur. (Aucune figurine n'a été blessée lors de la fabrication de ce modèle.)

"Escúchalos, están muriendo"

Con muros que se cierran y abren manualmente, un aterrador Dianoga acechando entre los escombros y, por supuesto, R2-D2 y C-3PO trabajando a marchas forzadas para intervenir los sistemas de control de la Estrella de la Muerte con el fin de desactivar el compactador, este diorama representa la oportunidad de recrear el turbulento escape de los rebeldes (ninguna minifigura resultó dañada durante la creación de este modelo).
