DEATH STAR™ TRENCH RUN

STAR WARS

Lock your S-foils in attack position

The Death Star is seconds from blasting Yavin 4 and the Rebel Base out of existence. Only Luke Skywalker can launch the perfect attack to save the galaxy. With Darth Vader dead on his tail, Luke, urged by the voice of Obi-Wan Kenobi, switches off his targeting computer...

**"The Force is strong with this one."
– Darth Vader**

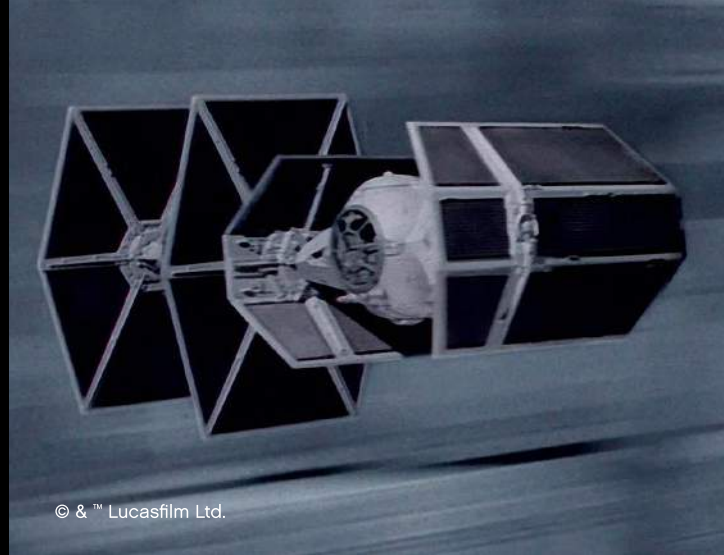

75329 Death Star™ Trench Run Diorama

The Trench Run scene from *Star Wars: A New Hope* always gives us the chills and, for the first time, we're recreating part of it in this vibrant diorama. Capture the seconds that mark the beginning of the end for the Empire – and feel free to add your own cool galactic battle sound effects!

The LEGO® *Star Wars*™ Diorama Collection is inspired by and dedicated to *Star Wars* fans and our favorite defining moments in the saga. (You may use the Force to build, but the power of the Brick Clutch is already strong with this one.)

Enjoy building!

Jens Kronvold Frederiksen

LA POURSUITE DANS LA TRANCHÉE DE L'ÉTOILE DE LA MORT

STAR WARS

Placez vos volets en position d'attaque

L'Étoile de la Mort est à deux doigts de détruire Yavin 4 et la base rebelle. Seul Luke Skywalker peut lancer l'attaque parfaite pour sauver la galaxie. Avec Darth Vader sur ses talons, Luke, encouragé par la voix d'Obi-Wan Kenobi, éteint son ordinateur de visée...

« C'est à croire qu'il est protégé par la Force. » – Darth Vader

75329 Diorama de la poursuite dans la tranchée de l'Étoile de la Mort

La scène de la poursuite dans la tranchée dans *Star Wars : Un nouvel espoir* nous tient toujours en haleine et, pour la première fois, nous en recréons une partie dans ce diorama spectaculaire. Immortalisez les secondes qui marquent le début de la fin de l'Empire, et n'hésitez pas à ajouter vos propres effets sonores de bataille galactique !

La collection de dioramas LEGO® *Star Wars*™ est inspirée par nos moments marquants préférés de la saga et par les amateurs de *Star Wars*, à qui elle est dédiée. (Vous pouvez utiliser la Force pour construire le modèle, mais il est déjà protégé par le pouvoir d'accroche des briques.)

Bonne construction !

Jens Kronvold Frederiksen

Directeur de la création, LEGO® *Star Wars*™

ATAQUE A LA ESTRELLA DE LA MUERTE

STAR WARS

Coloquen las alas en posición de ataque

La Estrella de la Muerte está a segundos de terminar con la existencia de Yavin 4 y de la Base Rebelde con una potente explosión. Solo Luke Skywalker puede dirigir el ataque perfecto para salvar la galaxia. Con Darth Vader pisándole los talones, Luke, animado por la voz de Obi-Wan Kenobi, apaga su computadora de objetivo...

"La Fuerza es intensa en este". – Darth Vader

Diorama: Ataque a la Estrella de la Muerte (75329)

La escena del ataque a la Estrella de la Muerte de *Star Wars: Una Nueva Esperanza* sigue provocándonos escalofríos y, por primera vez, recrearemos una parte de ella en este vibrante diorama. Captura los segundos que marcan el principio y el fin del Imperio, ¡y no olvides enriquecer el proceso con todos los efectos de sonido de batallas galácticas que quieras!

La Colección de Dioramas LEGO® *Star Wars*™ está dedicada a los fans de *Star Wars*, e inspirada en ellos y en nuestros momentos decisivos favoritos de la saga. (Puedes usar la Fuerza para construir, aunque el poder de la conexión de los bricks es ya lo suficientemente intenso).

¡Que disfrutes la construcción!

Jens Kronvold Frederiksen

Director creativo, LEGO® *Star Wars*™

Out-maneuvering Darth Vader

Obi-Wan has told Luke that his father was the best pilot in the galaxy but as the Trench Run scene plays out, we have no idea that Luke is, in fact, up against said pilot and father. In addition to the cinematic dynamics of the battle scenes, the moment is crucial to the dynamics between the characters.

Déjouer Darth Vader

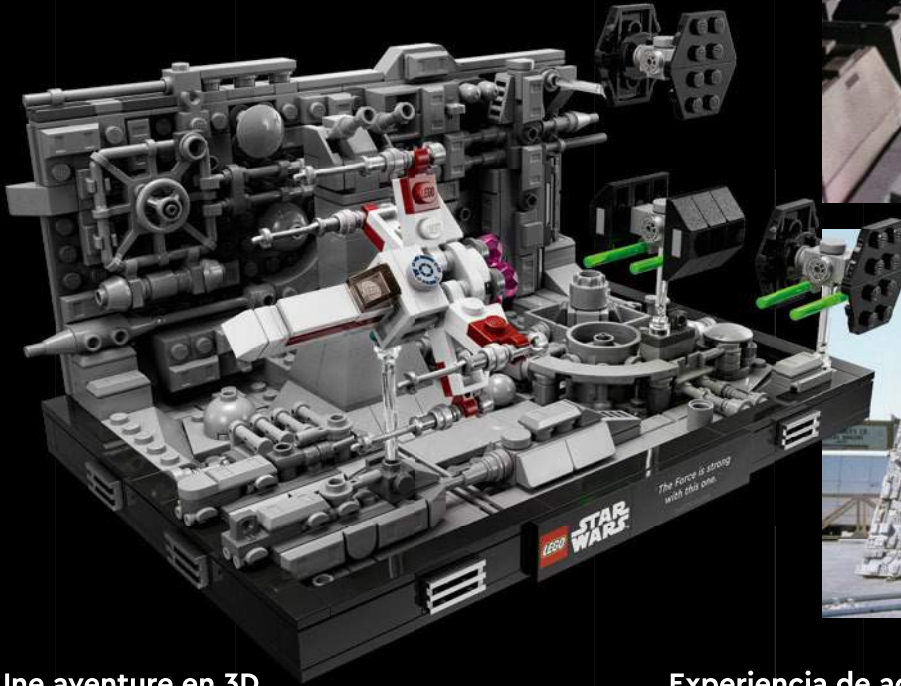

Obi-Wan a révélé à Luke que son père était le meilleur pilote de la galaxie. Toutefois, durant la scène de la poursuite dans la tranchée, nous n'avons aucune idée que le pilote rival de Luke est en fait son père. En plus de la dynamique cinématographique des scènes de combat, ce moment est crucial pour la dynamique entre les personnages.

Darth Vader, un pilote difficile de superar

Obi-Wan le reveló a Luke que su padre era el mejor piloto de toda la galaxia, pero mientras se desarrollaba la escena del ataque a la Estrella de la Muerte, no teníamos idea de que nuestro héroe estaba midiendo fuerzas con su mismísimo progenitor y experto en vuelos vertiginosos. Se trata de un momento crucial en la acción de las escenas de combate que también resulta fundamental para la dinámica entre los personajes.

A 3D action experience

Have you ever noticed the complexity of the Death Star design as you watched *A New Hope*? Based on the movie and artwork by designers Joe Johnston, Dan O'Bannon and Ralph McQuarrie, the model details the intense drama and action in the climactic battle. Now you can freeze the scene and zoom in on every detail.

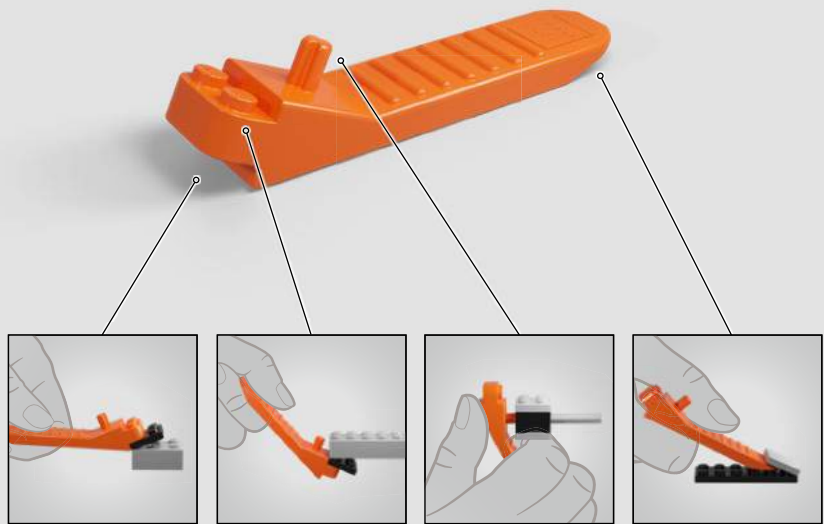

Une aventure en 3D

Avez-vous déjà remarqué la complexité de la conception de l'Étoile de la Mort en regardant *Un nouvel espoir* ? Basé sur le film et les illustrations des scénographes Joe Johnston, Dan O'Bannon et Ralph McQuarrie, le modèle illustre le suspense et l'action intenses de cette bataille décisive. Vous pouvez maintenant figer la scène et zoomer sur chaque détail.

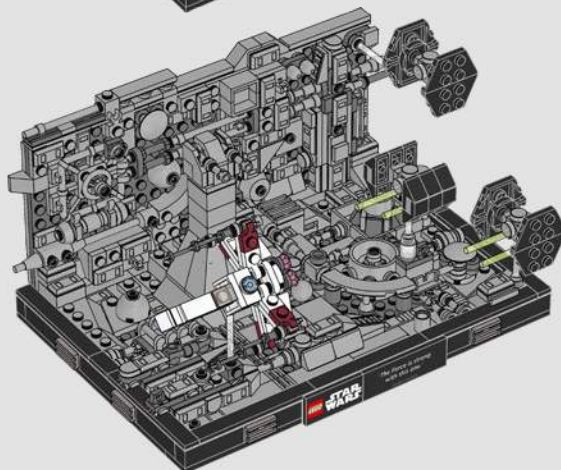

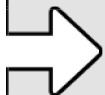

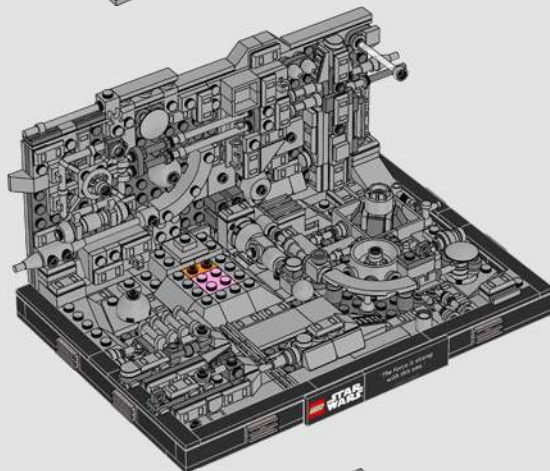

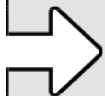

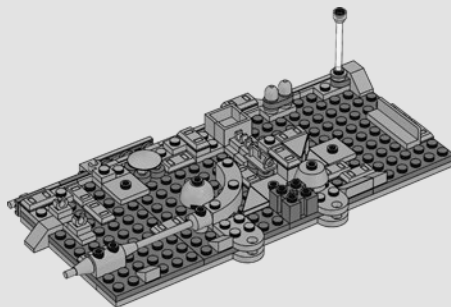

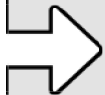

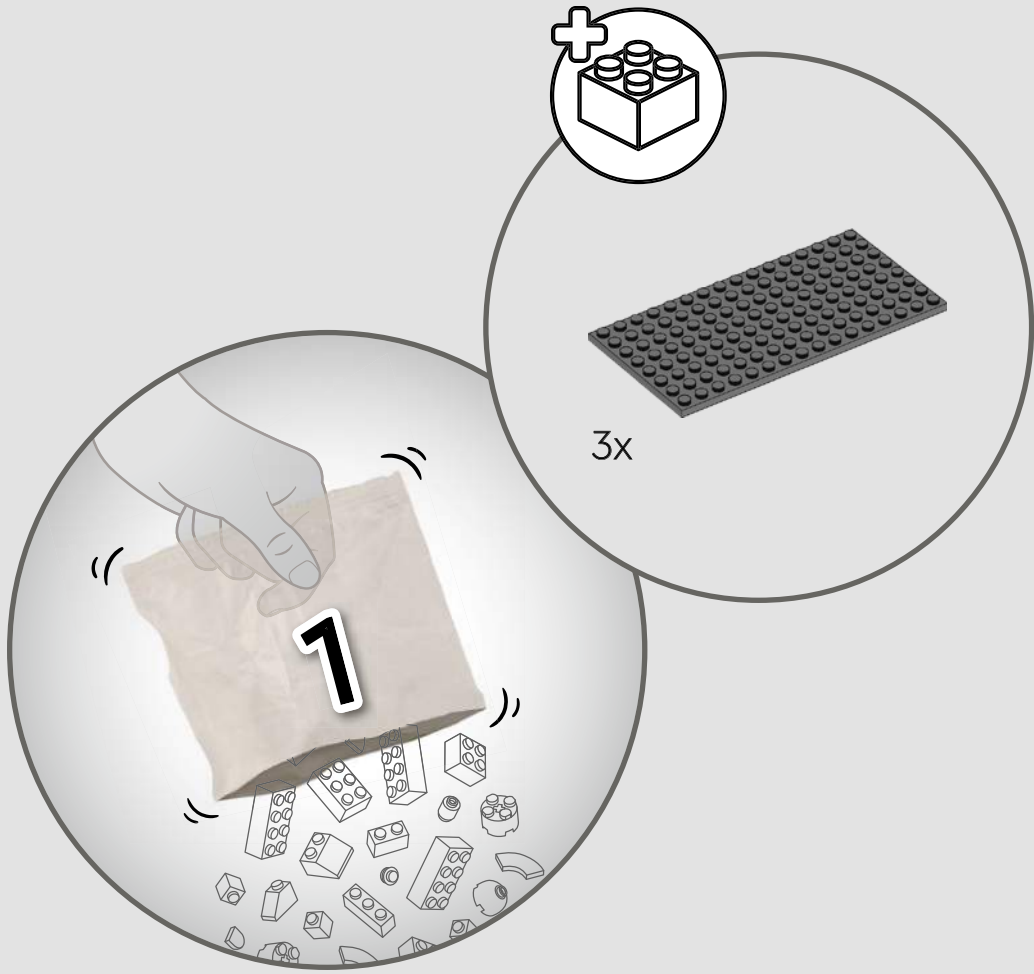

Experiencia de acción en 3D

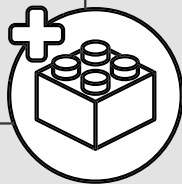

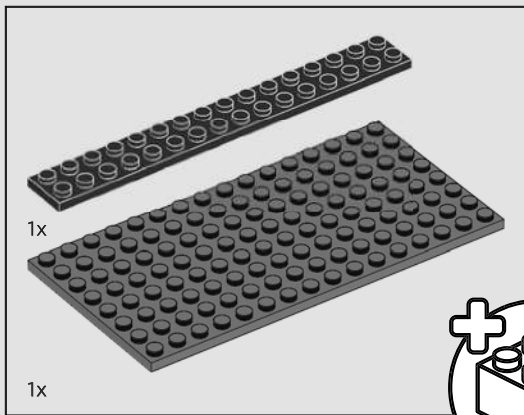

¿Alguna vez, al ver *Una Nueva Esperanza*, notaste la complejidad del diseño de la Estrella de la Muerte? Basado en la película y el trabajo artístico de los diseñadores Joe Johnston, Dan O'Bannon y Ralph McQuarrie, el modelo da fe del intenso dramatismo y la acción de la culminante batalla. Ahora puedes congelar la escena en el tiempo para contemplar de cerca cada uno de sus detalles.
