WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

**MILLENNIUM
FALCON™**
STAR WARS

WE HAVE A REALLY GOOD FEELING ABOUT THIS

It seems not long ago we released the first-ever LEGO® *Star Wars*™ sets – in 1999. Now we're celebrating our 25th anniversary. Time flies almost as fast as our favorite starship when you're having fun in this galaxy! Of the hundreds of starships we have released over the years, the *Millennium Falcon* remains the most requested and popular with fans of all ages. From *A New Hope* to *The Rise of Skywalker* and beyond, we agree with Han and Chewie – this ship feels like home. After more than 25 different iterations, from miniature versions to great Ultimate Collector Series sets, and now as part of our new Starship Collection edition, we still love this hunk of junk, special modifications, quirks and all.

LE MILLENNIUM FALCON™

STAR WARS

IL NOUS VIENT UN PRESSENTIMENT BIEN AGRÉABLE

La sortie des tout premiers ensembles LEGO® Star Wars™ en 1999 ne semble pas si lointaine. Pourtant, nous célébrons aujourd'hui notre 25^e anniversaire. Le temps file presque aussi vite que notre vaisseau préféré quand on s'amuse dans cette galaxie ! Parmi les centaines de vaisseaux que nous avons lancés au fil des ans, le *Millennium Falcon* reste le plus demandé et le plus populaire auprès des amateurs de tous âges. Il a voyagé d'*Un nouvel espoir* jusqu'à *L'ascension de Skywalker* et plus loin encore, et Han et Chewie ont bien raison de le considérer comme une maison. Même après plus de 25 versions différentes, des versions miniatures aux superbes ensembles de la Série de collection suprême, sans oublier cette nouvelle édition de la Collection de vaisseaux, ce tas de ferraille continue de nous enchanter avec ses modifications spéciales, ses singularités et tout le reste.

Jens Kronvold Frederiksen

Directeur de la création, LEGO® Star Wars™

HALCÓN MILENARIO

STAR WARS

TENEMOS UN BUEN PRESENTIMIENTO

Parece que no ha pasado mucho tiempo desde que lanzamos los primeros sets LEGO® Star Wars™ aunque eso sucedió en 1999. Y ahora estamos por celebrar nuestro 25 aniversario. ¡El tiempo vuela casi tan rápido como nuestra nave espacial favorita cuando te diviertes en esta galaxia! De los cientos de naves espaciales que hemos lanzado a lo largo de los años, el *Halcón Milenario* sigue siendo la más solicitada y popular entre los fans de todas las edades. Desde *Una Nueva Esperanza* hasta *El Ascenso de Skywalker* y más allá, estamos de acuerdo con Han y Chewie en que esta nave nos hace sentir como en casa. Luego de más de 25 iteraciones que abarcan desde versiones en miniatura hasta grandes sets de la colección Ultimate Collector Series, y ahora como parte de nuestra nueva Colección de Naves Espaciales, nos sigue encantando este pedazo de chatarra, con todo y sus rarezas y modificaciones especiales.

Jens Kronvold Frederiksen

Coordinador creativo, LEGO® Star Wars™

THE FASTEST YT-1300 SPACE FREIGHTER IN THE GALAXY

While Han Solo's legendary Kessel Run is mainly responsible for the *Falcon's* now dilapidated appearance, Lando Calrissian, its first known owner, curated much of the custom-built interior of the famous Corellian light freighter. Special modifications have boosted the ship's engines to unprecedented speeds and that, combined with concealed storage spaces, deflector shield generators and a class 0.5 customized hyperdrive, comfortably facilitates Han's need for transporting illicit goods through Imperial blockades without getting caught. Well, mostly.

LE CARGO YT-1300 LE PLUS RAPIDE DE LA GALAXIE

Le *Falcon* doit en grande partie son apparence délabrée au légendaire raid de Kessel de Han Solo. Lando Calrissian, son premier propriétaire connu, est responsable de la majeure partie de l'intérieur sur mesure du célèbre cargo léger corellien. Des modifications spéciales ont porté les moteurs du vaisseau à des vitesses inégalées, ce qui, combiné à des espaces de stockage dissimulés, des générateurs de boucliers déflecteurs et un hyperdrive personnalisé de classe 0,5 permet à Han de transporter des marchandises illicites à travers les barrages impériaux sans se faire prendre. Du moins la plupart du temps.

EL CARGUERO ESPACIAL YT-1300 MÁS RÁPIDO DE LA GALAXIA

Aunque las legendarias competencias en el Corredor de Kessel de Han Solo son las principales responsables del aspecto ahora ruinoso del *Halcón*, Lando Calrissian, su primer propietario conocido, se esforzó por preservar gran parte de los acabados interiores personalizados del famoso carguero ligero Corelliano. Una serie de modificaciones especiales ha hecho que los motores desarrollen una descomunal potencia y una velocidad sin precedentes. Este hecho, aunado a la disponibilidad de espacios de almacenamiento ocultos, los generadores de escudos deflectores y un hiperpropulsor clase 0.5 hecho a la medida, explica la facilidad con la que Han resuelve su necesidad de transportar mercancías de contrabando a través de los bloqueos imperiales sin que lo atrapen. Bueno, casi siempre.

DETAILED DEATH STAR DESTROYER

The *Millennium Falcon*™ may not seem an obvious candidate for fame and glory. Nevertheless, with the help of the starship's illegal, military-grade quad laser cannons and a sophisticated, customized navigational system, the *Falcon* and its crew of Rebels play a defining role in the destruction of not just one but two Death Stars. As you build, look for nods to some of your favorite scenes, characters, details and features from *A New Hope* and *The Empire Strikes Back*. Now let your model fly in formation with the rest of your Starship Collection.

UN DESTRUCTEUR D'ÉTOILES DE LA MORT DÉTAILLÉ

À première vue, le *Millennium Falcon* n'est pas un candidat idéal pour la gloire et la célébrité. Néanmoins, avec l'aide de puissants canons laser quadruples illégaux et d'un système de navigation sophistiqué et personnalisé, le *Falcon* et son équipage de Rebelles jouent un rôle déterminant dans la destruction non pas d'une, mais de deux Étoiles de la Mort. Au cours de la construction, recherchez des clin d'œil à vos scènes, personnages, détails et caractéristiques préférés d'*Un nouvel espoir* et de *L'Empire contre-attaque*. Maintenant, laissez votre modèle voler en formation avec le reste de votre Collection de vaisseaux.

DETALLADÍSIMA ESTRELLA DE LA MUERTE

El *Halcón Milenario* puede no parecer el candidato más obvio a la fama y la gloria. No obstante, con la ayuda de sus cañones láser cuádruples de grado militar prohibidos y un sofisticado sistema de navegación personalizado, el *Halcón* y su tripulación de rebeldes desempeñan un papel decisivo en la destrucción de no solo una, sino de dos Estrellas de la Muerte. Mientras construyes, busca referencias a algunos de tus personajes, escenas, detalles y características favoritos de *Una Nueva Esperanza* y *El Imperio Contraataca*. Luego, deja que tu modelo vuele en formación con el resto de tus modelos de la Colección de Naves Espaciales.

While R2-D2 has the strategic skills to win at the holographic dejarik table, it might be wiser to let Chewbacca win. As Han explains, droids don't pull people's arms out of their sockets when they lose.

Bien que R2-D2 possède les compétences stratégiques nécessaires pour gagner à la table d'holojeu Dejarik, il est peut-être plus sage de laisser Chewbacca gagner. Comme l'explique Han, un droïde n'ose pas broyer les bras de son adversaire lorsqu'il perd.

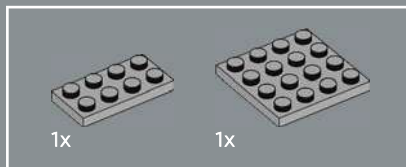

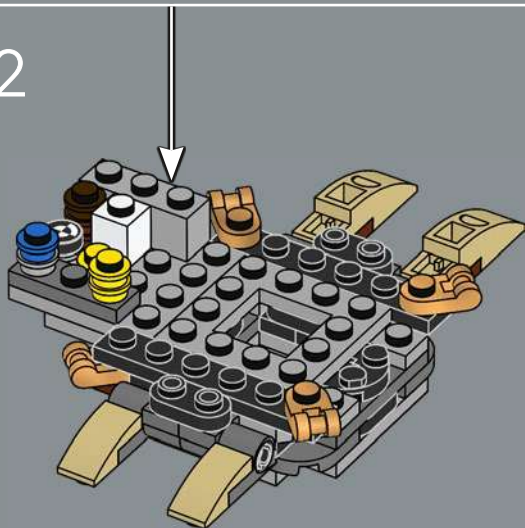

Aunque R2-D2 tiene las habilidades estratégicas para ganar en el tablero holográfico de Dejarik, quizá sea más prudente dejar que gane Chewbacca. Como explica Han, los droïdes no les arrancan los brazos a sus oponentes cuando pierden.

"Your eyes can deceive you. Don't trust them." These look like ordinary, studded bricks, or if you look closer, they could be Obi-Wan Kenobi training Luke Skywalker in the ways of the Force.

« L'œil ne voit que la surface des choses. Ne t'y fie pas. » On dirait des briques à tenons ordinaires, mais si on y regarde de plus près, il pourrait s'agir d'Obi-Wan Kenobi en train d'enseigner à Luke Skywalker les voies de la Force.

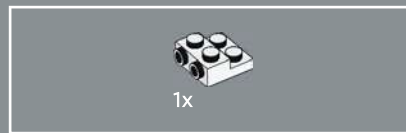

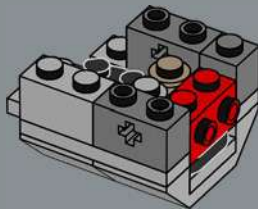

"No confíes en tus ojos. Pueden engañarte". Parecen bricks comunes y corrientes, pero si los miras más de cerca, podrían ser Obi-Wan Kenobi y Luke Skywalker en una sesión de entrenamiento en los caminos de la Fuerza.
